## FREE ADMISSION

"Music Dreamers" is the dream of every artist. The contest permits to be produced and distributed by "Smilax Publishing", which has been the producer of great Italian and foreign artists. Nowadays it is more and more present on the market with productions of famous and emerging artists and groups, extending its artistic suggestions to Dj with compilations and albums of various genres. The distribution care is very important to the company.

It manages to produce a compilation with 15 artists, live music and DJ sets where they can include their own songs and unreleased productions.

Created by "Eventimusic" and in collaboration with "Orizzonte Luminoso", association that works for public relations thanks to journalist and professional Loredana Filoni ([www.eventimusic.com](http://www.eventimusic.com)), partner "Smilax Publishing", the contest is for individuals artists and emerging bands offering "UNRELEASED" music with great news and opportunities. Moreover "Music Dreamers" is accessible to all DJs who produce their own tracks, considering every genre of music.

The contest is for all artists and groups, including every genre of music: pop, rock, indie, jazz, electro, pop, black music, ska and dj genres, deep, Edm, house, indie Nu-Disco etc.

Minors must be to authorized and signed by a parent or by a legal custodian, compulsorily at the time of enrollment.

## NEWS

The contest will take place in CLUBS or simply sending a VIDEO (NEWS), broadcasted during the contest.

### Contest development:

The contest will be performed in pre-established clubs but especially will be realized via a WEB TV channel and YOUTUBE where every week we will dedicate two episodes of 1 hour for both dj and live music artists. The artists will be judged by a technical jury (professional in the sector) and we will also consider the votes of visitors, who will vote for their darling.

We guarantee maximum transparency.

Artists will have to send VIDEOS of 3.40 minutes at most (3 songs) in high resolution and especially with a good audio, same thing for Dj producers (radio edit track version). Amateur videos can also be considered.
